Aparajitha®
An Xcelerate Venture

CELEBRATING 25 YEARS OF COMPLIANCE EXCELLENCE

Automobile Case Study - I

Client X

The iconic brand from the automobile industry with a time less legacy.

“ Pioneered their first compliance outsourcing journey.

Sustaining a trusted partnership with Aparajitha for over a decade.

Aparajitha
An Xcelerate Venture

Initially engaged for showrooms & service centres:

Establishment & Factory Compliance later extended to manufacturing units

Challenges with In-house Compliance

Frequent staff turnover and dependence on single person.

Delays in timely vendor payments due to inconsistent compliance checks/audits.

No centralised repository or real-time compliance data.

Dependence for knowledge and insufficient validations.

Lack of preparedness for inspections & sudden authority visits.

Aparajitha®
An Xcelerate Venture

Impact/Outcome

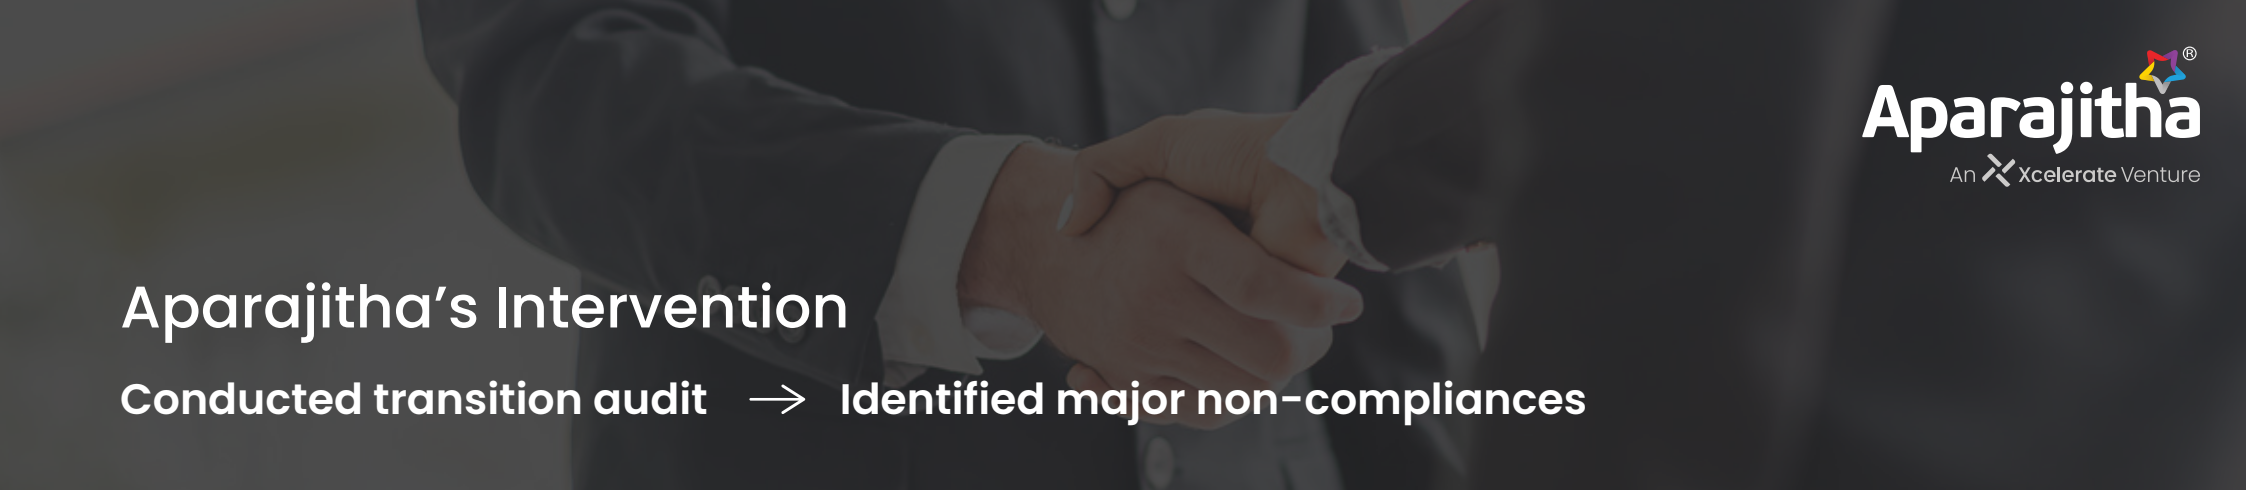

- Visibility to significant legal consequences of non-compliance.
- Compliance Score:

In-house **40%**

With Aparajitha **92%**

- Sustained compliance excellence across all units for 10+ years, with add-on services and coverage.

Aparajitha's Intervention

Conducted transition audit → Identified major non-compliances

- Gaps in Contract Labour (CLRA) compliance
- Returns not submitted
- Partially prepared Registers
- Partial display of abstracts & statutory notices
- Pending approvals
- Non-adherence to certain Factory provisions
- Pending Inspections

- Prioritised closure of critical gaps
- Streamlined compliance management processes
- Ensured inspection & audit readiness
- Strengthened authority liaison & real-time updates
