Express Labour Law

Case Study - II

Client Overview

A regulatory body planning to go for an IPO approached us for comprehensive compliance solutions.

Scope of Compliance

- Managed Compliance for **4** Companies Within the larger group
- Oversaw Operations Across **120** Branch Offices
- Audited around **125** Vendor
- Covered a Workforce of Over **5,000** Employees

Key Challenges

- Decentralised compliance processes.
- Lack of visibility into compliance status for top management across group companies
- Difficulty in understanding compliance-levels of vendors & contractors
- Vendors' lack of understanding compliance requirements

Key Benefits Delivered

- Comprehensive orientation for vendors to regulatory compliance
- Conduct real-time vendors audits, across multiple locations
- Generate comprehensive reports, highlighting gaps in vendor compliance
- Provided a centralised dashboard at the group-level, company-level, and category-level compliances for all stakeholders.
- Delivered comprehensive reports for proactive compliance management.

Outcome

Enhanced compliance readiness, setting the foundation for successful IPO planning.
